College of the Desert, Palm Desert, California
Appalachian State University, Boone, North Carolina
The Kohler Corp., Kohler, Wisconsin

Since 1978 the following artists were guests of the Sculpture program for five day periods normally. They worked with the students, made a piece of sculpture which was subsequently cast in bronze and delivered a free public lecture.

Until very recently, the sculpture program was almost totally funded by monies the student and I put aside from casting jobs we completed for sculptors in the Midwest.
